01 INTRODUCTION

THE WORLD CHAMPIONSHIP SERIES EVENTS

There are 5 World Championship Series (WCS) events in the annual ITSF Tour, one on each ITSF Official table (Tornado, Tecball, Roberto Sport, Garlando, Bonzini).

Each of these events is a "mini World Championships event" on a single table, as opposed to the end-of-the-Tour World Championships which take place on all 5 tables.

The first 3 Open Singles winners of each WCS event, as well as the winners of the Women's Singles, Junior Singles and Senior Singles categories are automatically qualified for the World Championships.

These 6 players also benefit from a travel package to attend the World Championships (each package amounts to € 250 to € 800 depending on where they reside).

10 international titles are awarded at each WCS event:

01. Open Singles
02. Open Doubles
03. Junior Singles
04. Junior Doubles
05. Senior Singles
06. Senior Doubles
07. National Teams
08. Women's Singles
09. Women's Doubles
10. Disabled Doubles

RULES AND MATCH FORMAT

All events in the ITSF World Tour are played according to the international Game Rules, to be found in several languages on the ITSF website:

www.table-soccer.org/rules

Qualification

- All qualification matches are played in a single 7-point game.
- The FAST software takes into account the level of a player's opponents when determining qualification matches, in order for the automatic draw to be fair to all players.

Elimination

- All matches of the elimination phase, except in the DYP events, are played with the following format : Single KO, best of 5 games, first to 5 in each game, with a 2-point difference in the last game up to a maximum of 8 points.
- DYP events : best of 3 games, with a 2-point difference in the last game up to a maximum of 8 points.

TOP SEEDS

Women's competitions

- If there are **more than 32 competitors**: there shall be 4 Top Seeds (TS) according to the ITSF World Ranking + 2 TS determined by the host federation (= wild cards). These 6 Top Seeds don't play qualification matches.
- If there are **32 competitors or less**: there shall be 4 Top Seeds (TS) according to the ITSF World Ranking. These TS play qualification matches but do not play against each other during that qualifying phase.

Open competitions

- There shall be 8 Top Seeds (TS) according to the ITSF World Ranking + 4 Top Seeds determined by the host federation (= wild cards). These 12 Top Seeds don't play qualification matches.

www.table-soccer.org/rankings

- In the Doubles event, points from both partners are added for the seeding.

CATEGORIES

Specific conditions

➤ **Women and Senior players** (50 years old and older on December 31st, 2009) must choose between playing in their category (WS, WD, SS, SD) or playing in the Open events (OS, OD). Exceptionally, if there are very few competitors in their category (8 or less) players/teams will be allowed to compete in both events.

In that case, the competition in their category shall start 2 hours after the start of the elimination matches in the Open category and shall be played in Single KO. In case of time conflicts when launching matches, the Open event must be given priority. Also if there are 8 or less players/teams in that category (minimum 3), only 50 % of the prize money will be paid out to players.

➤ **Junior players** (under 18 years old on December 31st, 2009) can play both the Junior Singles and Open Singles (they take place on different days) but not the Singles per category competitions (Rookie, Pro and Semi Pro) nor the Mixed Doubles. Also, they have to choose between Junior Doubles and Open Doubles, except if there are 8 or less competitors in their category. In that case, if at least 1 team wants to play in the Open event, then the rule above is implemented (Junior Doubles in SKO, etc).

Rating categories

➤ The ITSF has determined **3 rating categories**:
Pro = Promaster and Pro in the Garlando Rankings + ITSF Pro Players
Semi Pro = Semi Pro in the Garlando Rankings + non Austrian players
Rookie = Rookies in the Garlando Rankings

➤ In any case, the Top 150 players in the [ITSF Combined Rankings](#) (Singles + Doubles) are considered Pro, and all international players are at least Semi-Pro.

➤ 4 weeks before the start of the event, the final rankings to be used are displayed on the ITSF Tour website - changes that take place in the rankings after this date will not be taken into consideration. [List of Pro players](#) as posted on July 1st, 2010.

➤ For Doubles events: a player may take part in a competition in a higher category than his/her own if his/her partner is ranked in that category.

The tournament organizers use the referee fee to pay the referees who officiate during their event.

Referees receive between € 2 and € 5 per game depending on their level and for elimination matches only.

**DOWNLOAD

SHEETS FROM THE
ITSF WORLD
TOUR WEBSITE**

Why pay a referee fee?

The referee fee is meant to motivate players to become referees. Tournament organizers use this money to pay referees who officiate during their event.

For more information, visit the ITSF website:

www.table-soccer.org/rules

This fee does not guarantee players that they will have a referee at all times; it is mathematically impossible to have enough referees in the first rounds of a competition since most referees are also players. If no referee is available, the match must go on or else players/teams will be sanctioned (they may both get disqualified) for delaying the competition. However, it is clearly stated in the Referee Code that when a certified ITSF referee registers to play in a tournament, he/she is under the obligation to officiate (except in specific cases).

All referees have to wear ITSF referee shirts displaying their referee level. See referee dress code on: www.table-soccer.org/rules/dresscode.php

Official Clinics for referees will be held at 9:00 pm on the first 3 days of the event.

NATIONAL TEAMS COMPETITION

What's new in 2010

➤ Introducing separate events for men and women

(minimum 3 teams in each competition)

- Women: 4 players + 2 reserve / Minimum 3 players
- Men: 7 players + 2 reserve / Minimum 4 players

➤ Competition format

- Men's - 5 matches: S-D-S-D-S (S = Singles ; D = Doubles)
- Women's - 3 matches: S-D-S

All matches are played in a single 7-point game with a 2-point difference up to a maximum of 10 points.

Players can only play one match, so there must always be 7 different names on each scoresheet in the Men's event and 4 in the Women's event.

See scoresheets: [Men's](#) [Women's](#)

➤ 2 matches take place at the same time; except when matches are being filmed.

➤ If there are 6 players in a Men's team (3 in a Women's team), that team will forfeit the first Singles match to be played on the scoresheet;

If there are 5 players in a Men's team, that team will forfeit the first Doubles match;

If there are 4 players in a Men's team, that team will forfeit the first Singles and Doubles matches.

➤ These events will take place on the first day of the competition, right after the presentation of the national teams at the Opening Ceremony.

The draw will take place that same day at noon.

➤ This competition will be broadcasted on Eurosport2.

Players who do not abide by the ITSF Dress Code will not be allowed to compete.

What remains unchanged

➤ The National Team Competition is played in Single KO (direct elimination).

➤ The draw for the Men's event is divided in 3 parts:

- the first 4 Top Seeds: the host country and the 3 best ranked nations in the ITSF

[Men's rankings of nations](#)

- the next 4 highest ranked nations in the Men's rankings of nations are seeded in the second draw for the seeds 5 - 8

- the remaining national teams take part in the third draw
