Dear mrs.Huang,

let me introduce myself, my name is Juraj Corba and I'm a foosball player from Slovakia. We wanted to attend at your event in december 2016 (Kaohsiung Open) but unfortunately I dislocated my leg and need to stay home for rehab. I want to ask you for a favor but it's a little bit specific. Me and my partner have a opportunity to represent Slovakia at ITSF World Cup 2017 in Hamburg but if we want to play Open Doubles event, we need to take only 5 ITSF points more for our domestic Slovak ranking. I saw that you still don't have updated a results from your tournament so I want to ask you if it's possible to fill our names at the end of Open Doubles results list. I can send you a registration fee if it's necessary. I'll be extremely grateful for your willingness. Let me know if it's possible at all. Thank you so much!

Best regards

Juraj Corba
