NATIONAL TEAMS

Team composition A regular national team is made up of 8 players (6 men and 2 women).

Beside the 8 regular players, each team can have 2 (and only 2) reserve players (1 man and 1 woman) who will be able to rotate with regular team members, but note that no changes of players will be allowed within 2 hours before each game. So there can not be more than 8 different players' names (6men and 2 women) on the score sheet.

The minimum number of players allowed in a team is 5. If there is no woman in a team, then the Women's Singles and Doubles matches will be forfeited, and that team will automatically lose the points for those 2 matches.

Competition format The competition is played with a system of direct KO. When 2 teams meet, they play 8 matches against each other: 4 matches in Singles followed by 4 matches in Doubles.

A match consists of 1 game of 7 points. The match must be won by two clear points.

If, at the end of the encounter, both teams have won an equal number of matches (4each), an extra match will be played in Doubles, to be played by

2 players of each team who have not yet taken part in Singles.

Games will be played in the following order – 4 matches will take place at the same time (see score sheet)

- | | |
|---------------------|---------------------------|
| S1 Singles 1 | S2 Women's Singles |
| S3 Singles 3 | S4 Singles 4 |
| D1 Doubles 1 | D2 Women's Doubles |
| D3 Doubles 3 | D4 Doubles 4 |

Top seeds For the draw, 4 nations will be designated as top Seeds:

The host country and 3 nations designated by the tournament director and the ITSF Delegate as the best nations playing on the tournament's Official Table. Note that starting in 2007, the World Ranking of Nations will be used to designate these 3 nations.

ACCOMMODATIONS

You can find all informations about accommodations on the "Bellinzona Turismo" webpage: www.bellinzoneaturismo.ch.

Ticino is one of the most touristical regions of Switzerland, and on the web you can find a lot of informations about Bellinzona and the area, and all free-time activities.

Amongst them: don't miss the "Castelli di Bellinzona" protected by UNESCO World Heritage. Built in 15th century: a step back to Middle Age! Or taste the regional wine in the dark cellars of the different producers. And lay on the shore or even dive in the Lago Maggiore.

For the overnight stay, notice that the closest towns to the tournament area are Camorino (from which you can go on foot) and Semontina.
